PreO

Map: „Droga Śmierdnicka”, June 2026

Mapper: Krystian Petersburski

Course setter: Michał Koziak

Scale: 1:4000, contours 2m

Length: 23 controls, 210m, 2 Time Controls with 3 tasks before the course

Limit: Open, Junior 73 min, P class 80 min

Punching: Toe Punch

EC and Parking: The Event Centre is located at Leśniczówka Kołowo.

Parking is available on the grass field next to Leśniczówka Kołowo, as marked on the event map.

Please do not park on the asphalt road. If you need to park along the roadside, make sure that **all four wheels remain off the asphalt surface**. Vehicles parked on the asphalt may receive a parking ticket issued by the local authorities.

Please follow the instructions of the parking marshals.

Toilets are available at the Event Centre.

Accessible parking: Competitors in the **P Class** may park at the junction of the forest road and the main access road.

Access:

EC - TC (1330m)

P class Parking - TC (640m)

TC - Start (340m)

Course length (210m)

Finish - EC (1890m)

Finish - P class Parking (1200m)

Form of event: On the way from EC to start there will be 2 Time Controls waiting for everyone. After answering, competitors are proceeding to PreO start. After punching the finish, the way back to EC is by the same road, please be silent and do not disturb other competitors still on the course. **It is forbidden to go straight after finishing, since there will be a venue for ETOC, everybody who will be seen doing that, will be disqualified from ETOC.** Marshall at finish will help you avoid that :)

Path: Between EC and TC there is quite a steep hill (30m difference between P class Parking and TC, the worst part about 250m length, 24m height); from EC downhill, on the way back uphill. The road is of good quality apx. car wide.

In case of Toe Punch malfunction, make a hole in control descriptions as shown on a picture below.

Example:

Control 1 answer punched: BRAVO

Control 2 answer punched: ALPHA

Control 3 answer punched: ZERO

Pins will be available in EC.

Map: „Ukośna”, May 2026

Mapper: Krystian Petersburski

Course setter: Jacek Wieszaczewski

Scale: 1:3000, contours 2m

Length: 6 stations with 5 tasks each, 550m

EC and Parking:

The Event Centre is located on a field next to Okulska Street. Parking is available along the streets surrounding the Event Centre, with caution of the embargo area shown on map in “Location” section.

A large public parking area is available at Krzemienna Street:

GPS: 53°22'01.5"N 14°35'57.4"E

Access:

EC – Start (470m)

Course length (550m)

Finish – EC (310m)

Form of event: Competitors are obligated to wear bibs, available in EC. There will be no back-up cards for competitors, marshals will be making back-up on paper at stations. The diameter of the maps is 6cm.

Path: Stations are placed on paved sidewalks along the asphalt road with very light traffic, almost none. Very good conditions for wheelchairs users.

Zero tolerance:

For every stage 4m.

ToePunch Chipsets

ToePunch electronic punching devices will be distributed during PreETOC pre-start
Competitors should keep the same ToePunch chipset throughout the entire event, as it will also be used during **ETOC 2026**. The chipset must be brought to all competitions, including the Model Events and all ETOC races.

Please do not return the ToePunch chipset after PreETOC. It should only be returned after the final competition of ETOC, following the organisers' instructions.

Start lists, results:

Start list can be found here: <https://top.yq.cz/event/preetoc>

Results will be published when the last competitor finishes.

Overall Classification

An Overall Classification will be prepared separately for the Open, Junior and P Class categories.

The Overall Classification will be based on the combined scores from both stages (One-Man Relay):

Stage 1 – PreO (28 July 2026)

Stage 2 – TempO (29 July 2026)

The top three competitors in each category of the Overall Classification will receive awards during the Prize-giving Ceremony.

See you in Szczecin.
