

Important Information PreETOC 2026

The Trail Orienteering Commission has decided not to grant World Ranking Event status to the PreETOC 2026 competitions. The organising team submitted two separate WRE applications. Following the second application and additional organisational arrangements, the decision remained unchanged.

Despite this, **PreETOC 2026 will take place on 28–29 July 2026.**

Preparations are at a very advanced stage. Maps and courses have already been prepared and the events will provide an excellent opportunity to become familiar with the terrain before ETOC 2026.

For teams and competitors planning to arrive already on 27 July 2026, training maps will be available upon request.
